Central Texas River Floods Update

Following the devastating Central Texas river floods, Tennis for Hope was proud to support two beloved summer camps, Camp Honey Creek for Girls and Camp La Junta, whose facilities and tennis courts suffered significant damage. Through grants from Tennis for Hope, both camps were able to begin restoring and renovating their courts, helping ensure they could reopen and operate successfully this summer. We are honored to play a small role in helping these treasured communities recover, rebuild, and continue serving the young people and families who depend on them.

We are thrilled to announce our partnership with the American Red Cross. Through this partnership, individuals can sign up through the American Red Cross/Tennis for Hope volunteer link to support disaster relief efforts in their community. Volunteers can choose a basic role or complete additional American Red Cross training, where they can become part of a dedicated team ready to help when disaster strikes.

Grants in Progress

 **\$35,000 Monticello Tennis Club**

Tennis for Hope was proud to support Monticello Tennis Club in Puerto Rico, a facility that continued to struggle with the devastating effects of Hurricane Maria years after the storm made landfall.

 **\$26,500 Lokahi Tennis (PENDING)**

We are funding a grant from Lokahi Tennis in Hawaii. Lokahi Tennis is a nonprofit organization that strives to be a resource in the community for higher learning, physical education, and overall well being and suffered damage from recent floods.

Inaugural Member Event Recap

Our inaugural Tennis for Hope event was a tremendous success, and we are incredibly grateful to everyone who attended and supported our mission.

A special thank you to **Mike and Bob Bryan**, who were outstanding as always. Their generosity in donating their time and talent truly elevated the event and helped create an unforgettable experience for our members and their guests. We were also fortunate to have **Pam Shriver** serve as our live auctioneer. Her energy, humor, and enthusiasm made the auction a highlight of the evening.

Thanks to the incredible generosity of our attendees and donors, we raised more than \$210,000 from new and upgraded membership and the live auction, which featured exceptional items including US Open President's Suite tickets, Wimbledon Grounds Passes, and a rare Roger Federer autographed racquet.

We would also like to extend our sincere appreciation to Gary and Barbara Tolman for graciously providing food and beverages for all our guests.

Thank you again for helping make our first Tennis for Hope event such a memorable and impactful occasion. We hope you will join us next year for what promises to be another fantastic event in support of communities affected by natural disasters.
